## WHAT WE'RE LEARNING

In **social studies**, we are learning about responsible citizenship. Our study will include leading the Second Annual First Grade Food Drive! From Dec. 2-19, barrels from the SF-Marin Food Bank will be in the MPR. We have committed to donating 800 pounds of food to individuals and families in need. More details to come.

In **science**, our bird study continued. We went on a bird walk and made torn paper owls.

In **math**, we are continuing to learn about shapes and their attributes in our geometry unit. In **literacy**, we became Official Word Detectives and have made major progress in solving the Mystery of Silent E. We are also continuing to write how-to books.

**Math Story of the Week: solve at home and bring to school!**

Annabel made 15 cookies. Bennett ate 5 of them. How many cookies does Annabel have left?
