WHAT WE'RE LEARNING

VALENTINE'S DAY: Please do not purchase Valentines or candy for your child's class for Valentine's Day. A template and directions for making homemade Valentines were sent home in Friday Folders this week. Please don't feel compelled to complete the project if your family does not celebrate Valentine's Day. **Valentines should be turned in by February 12.** Thank you!

100th Day Celebration: We are teaming up with Ms. Hope and Ms. Perez for our 100th Day of School celebration on February 6 at 1pm. If you'd like to help your child's teacher run a 100th Day activity, please shoot them an email.

In **science**, we're learning about how to communicate with light and sound. We're looking forward to our field trip to the Exploratorium, where we will be able to experience these concepts firsthand!

In **social studies**, we're learning about children of the Civil Rights movement. This week we studied Ruby Bridges, and next week we will study Audrey Faye Hendricks.

REMINDERS

- ★ We don't give homework in first grade, but we do expect students to read for 20 minutes every night to help get them ready for 2nd grade.
- ★ Please have your child read and return their book bag books on a regular basis. We have a book shortage due to many unreturned book bags.
- ★ Please return Friday Folders **EMPTY** on Mondays.
