

First Grade Newsletter

We are doing a friendship project instead of passing out Valentine's Cards. We will send home the project materials and directions in next week's Friday folder. Please do not buy Valentine's Cards.

In math we are playing games by adding with 3 digits.

We need paper towel rolls and toilet paper rolls for an upcoming project. Please send them into school.

In Writer's Workshop we started Non-fiction writing. We are writing Chapter books to teach someone about our favorite topic .
