Every dollar makes a difference.

In social studies with Ms. Gregory, we talked about how shared values are one of the things that make a community.

Ms. Gregory will be taking the first graders on a community walk for social studies class. Ms. Gregory's class will go on Oct 23 at 1:30. Mrs. Devol's Class will go on Oct 25 at 2:00. Ms. Gregory will need a parent to come with her. Please e-mail your teacher if you would like to help.

In science, we learned about birds with Mrs. Devol. We used tools like chopsticks and spoons to mimic specific birds. Then we guessed what each bird eats according to their beak.
