

First Grade Newsletter

Your child will be taking the MAP (Measures of Academic Progress) test on the computer next week or the following week. This test helps teachers know what they need to teach to each student. If your child was at WCA last year they took it so teachers can measure growth. Please ask your teacher if you have questions.

In math we are playing games, including Build It Numbers to 20. Math games help make concepts less abstract and teach cooperation,

Parent Teacher Conferences are coming up! Please look for an e-mail from your teacher to sign up for your conference time.

Thank you for the birthday cards, cookies and chocolates! I feel so appreciated. The kiddos made my birthday so special and sweet! Ms. Sumaira
