

First Grade Newsletter

In science we learned how to be inventors. We built an umbrella that would not tip over in the wind. We tested our umbrella and make adjustments as needed. We learned that mimicking nature or looking at plants or animals can help us get ideas for inventions.

Report cards are coming out in the next few weeks. If you have questions about the report card please e-mail your teacher to set up a time to meet to discuss the report card.

In social studies we
Wrote our street on our
Me on the Map book.

In math we are learning
how to count on by playing
dice games.

Publishing Party
December 22
8:30-9:15

Please note 12/22
Early dismissal
12:30!
