

First Grade Newsletter

It is cold and flu season. Please make sure your child gets a lot of rest. If your child has a fever they need to stay home for 24 hours after they are fever free. Please show them how to wash their hands and practice good hand washing practice at home.

In math we are learning how to measure accurately. We are measuring fish to decide whether they are "keepers" or not.

Our non-fiction chapter books are on display in the library! Please come by the library

Feb 25 –March 1

Wednesday or Thursday during school hours or any day after school to see our hard work on display.

We worked hard on our Opinion Writing this week. We said which item was the best in our collection and gave descriptive reasons why. The collection will need to stay at school for 3 weeks.

No school 2/18-2/22
Mid winter break
