

First Grade Newsletter

The first graders have worked so hard this year and they are ready for 2nd grade! Ms. Browning and Ms. Jackson are both wonderful teachers so your child will thrive with either teacher. We work very hard to make balanced classes. Requests for next year's teacher will not be taken over the summer. Class lists will be posted to the website the day of orientation.

Check out the Sausalito and Marin City Library summer programs! Info in the Friday folder. Go to either library to sign up.

On Thursday we will send home a calendar with a reading log, math challenge and writing to do over the summer.

Please bring \$5 Monday for pizza for the beach next Tuesday!
