

First Grade Newsletter

In Science we learned about how sound and light can help boats, cars, and trains get places safely. Then we made a marshmallow tower using only spaghetti and tape. Like inventors we learned from what didn't work and next week we will make adjustments to our structures.

In Social Studies we learned that the bald eagle stands for freedom and independence.

Parent Teacher Conferences are coming up!

Duran- check Sign Up Genius
Devol- check Friday Folder for sign up sheet and turn in paper Monday.

We are starting Opinion Writing! Please have your child bring in a collection next week. It can be coins, buttons, toys, stuffies, whatever they collect.

No school
March 16 & 19
Parent Teacher conferences & staff development day
