

First Grade Newsletter

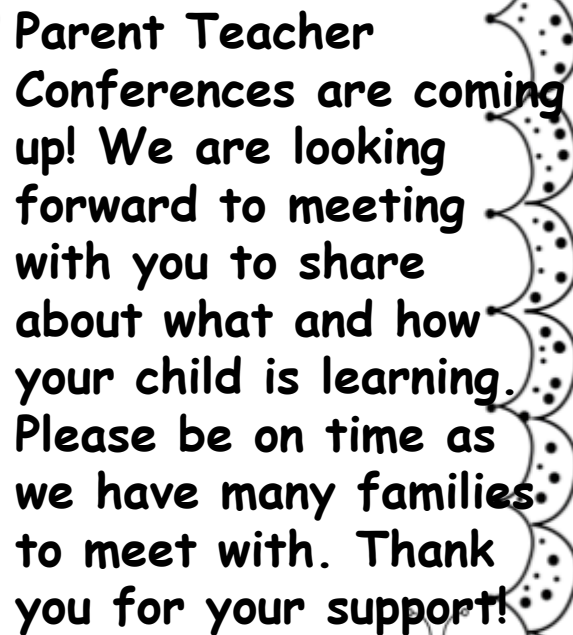

In Science we made adjustments to our marshmallow towers. Like engineers and inventors, we learned from what didn't work and worked with our groups to have great teamwork.

In Social Studies we made the Liberty Bell.

Parent Teacher Conferences are coming up! We are looking forward to meeting with you to share about what and how your child is learning. Please be on time as we have many families to meet with. Thank you for your support!

We used Opinion Writing to write about our favorite thing in our collection. We gave 3 reasons why it was our favorite.
