

# First Grade Newsletter

Routine is **SUPER** important for first graders, especially toward the end of the school year, as we still have lots of work to do! Much of the learning in first grade takes place at the end of the year, as students are able to focus for longer periods. Please make sure students continue to go to bed early, keep up with your nightly reading routine, and have a healthy breakfast. This will help us finish the year strong!

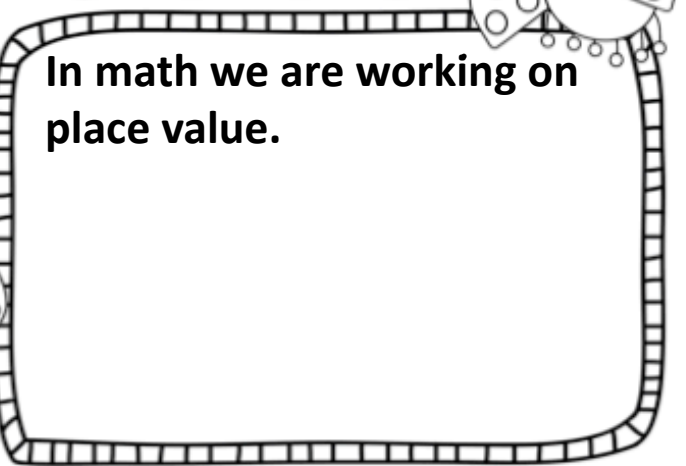

We are writing series books We need cereal boxes for our boxed series. Please bring in cereal boxes.

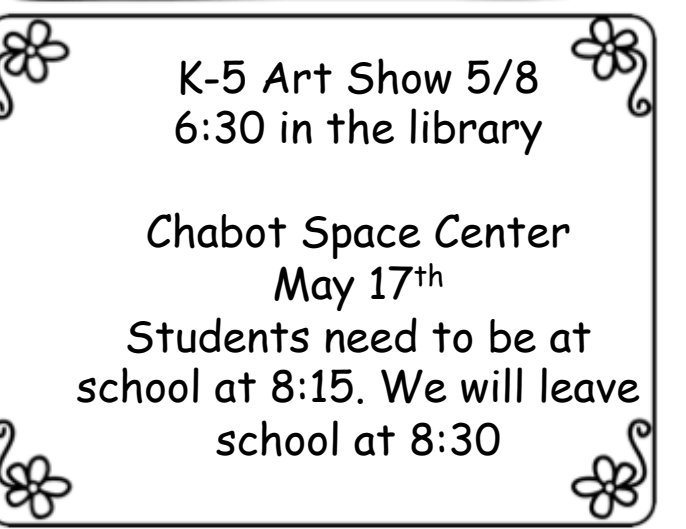

We are collecting paper bags and bubble wrap for an upcoming project.

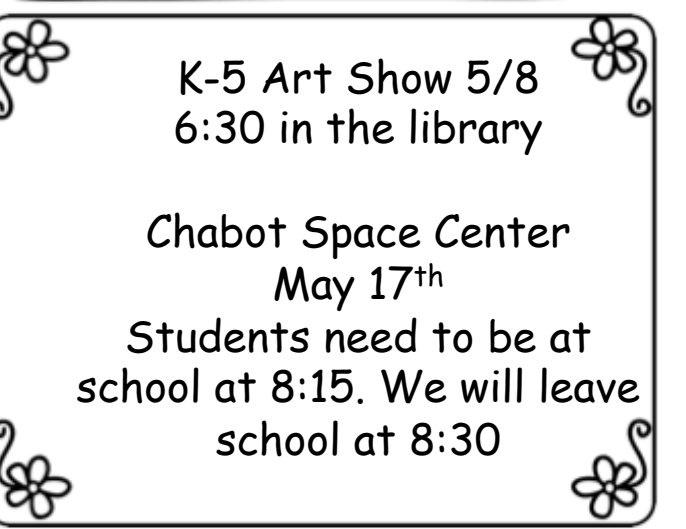

We still need more plastic tops. Thank you!

In math we are working on place value.

K-5 Art Show 5/8  
6:30 in the library

Chabot Space Center  
May 17<sup>th</sup>

Students need to be at school at 8:15. We will leave school at 8:30
