

# First Grade Newsletter

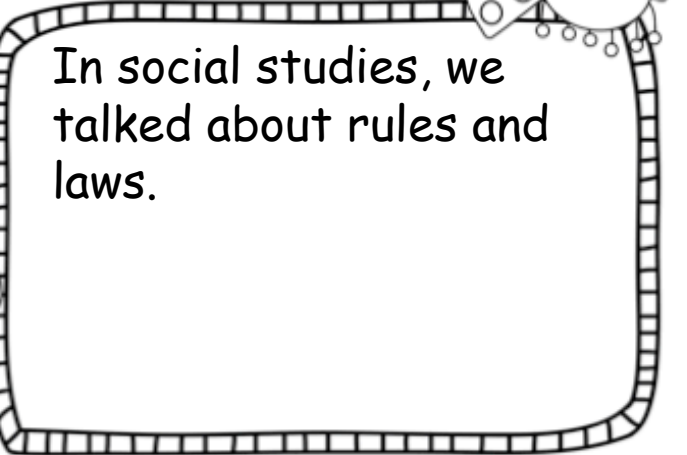

To our wonderful First  
Grade Families,  
We are so thankful for  
you! We are grateful for  
your support and  
involvement! Thank you  
for your special children!

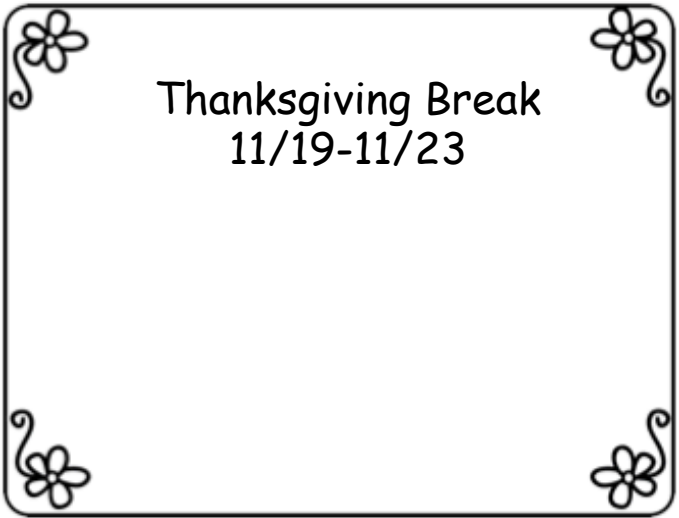

In science we learned  
that animals get their  
traits from their parents  
or grandparents.

We had a fun field trip  
at the de Young  
Museum. We got to  
view art in the museum,  
sketch like artists,  
and learn about  
texture and pattern  
while playing with  
Model Magic clay.

In social studies, we  
talked about rules and  
laws.

Thanksgiving Break  
11/19-11/23
