

First Grade Newsletter

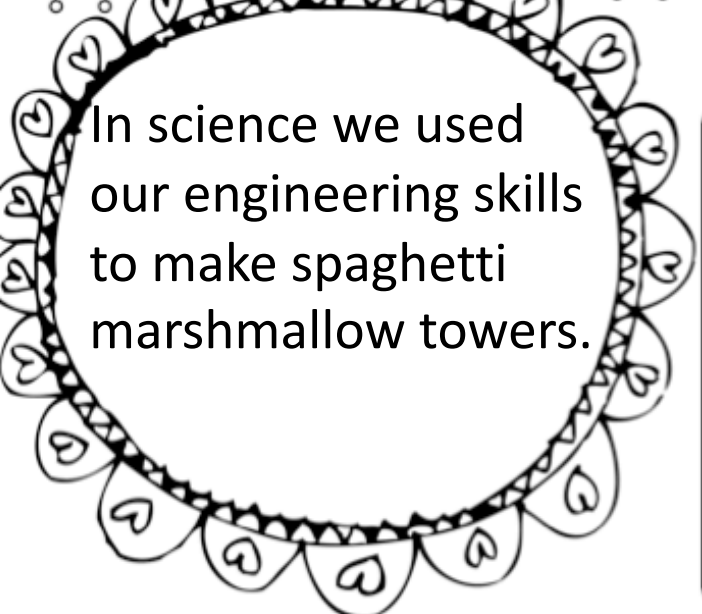

Thank you so much to the parents who donated their time and who brought food for our fraction pizza party!

In writing we are writing reviews of restaurants, places, toys and games. We are trying to convince our readers about the product that we are reviewing.

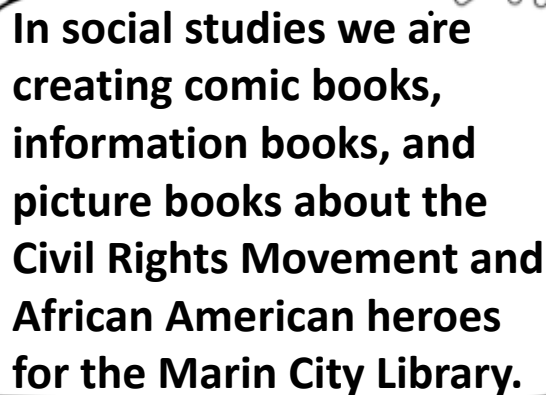

In science we used our engineering skills to make spaghetti marshmallow towers.

We are collecting plastic tops for an upcoming project. Please bring in tops from plastic bottles or milk containers.

In social studies we are creating comic books, information books, and picture books about the Civil Rights Movement and African American heroes for the Marin City Library.
