

First Grade Newsletter

In the mornings the first graders have been complaining about being tired. Please make sure your child is getting 11 hours of sleep a night along with a healthy breakfast. If your morning is really busy consider having your child eat a healthy breakfast at school from 7:50-8:10.

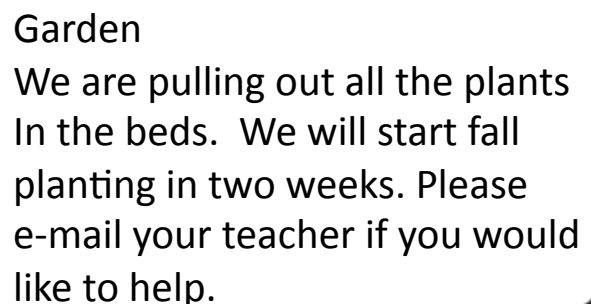

Thank you to the parents who have attended parent teacher conferences. This is a great time to set expectations for the year and for you to let your teacher know about your child. Please e-mail your teacher if you have not yet signed up for a conference.

Book Flix is a digital literacy resource we use at school that pairs stories with non-fiction books of a similar subject. To read at home go to bkflix.grolier.com/

Garden
We are pulling out all the plants in the beds. We will start fall planting in two weeks. Please e-mail your teacher if you would like to help.
