

# First Grade Newsletter

This Saturday is the Annual Willow Creek fundraiser. See below for more info [www.willowcreekacademy.schoolauction.net/totally80s/](http://www.willowcreekacademy.schoolauction.net/totally80s/)

In social studies we learned about stamps. We learned what symbols are on stamps, how they put the symbols on the stamps, and the meaning of the symbols.

We read our Opinion Writing to the class and voted to see who wrote the most convincing paper.

In Science we made a boat out of tinfoil. Then, we put it in the water to see if it would float. Finally we added pennies to see if the boat would hold weight.

## Spring Break April 9-13

Our last field trip is  
Chabot Space Center  
5/10 8:30-3:00
