

# First Grade Newsletter

We will be celebrating the end of our Writer's Workshop Unit with a Publishing Party! It will be November 16<sup>th</sup> at 8:30 a.m. in your classroom. We will have a breakfast & authors will be sharing our stories. Please sign up to bring something on the Sign Up Genius.

In math we continue to work on Geometry. We are learning how to describe shapes and put them together to make pictures.

Please let your teacher know if you want a field trip lunch for the De Young. Chef G. & his team will make a sandwich (sometimes sun butter, sometimes ham & cheese) crackers, and fruit. We need to let Chef G know how many bag lunches we need for that day.

In social studies, we had a mock election. In science, we learned how animals take care of their offspring and that baby animals are similar but not exactly like their parents.
