

October 26, 2018

Dear Second Grade Families,

This week we had an assembly by The Golden Gate Opera. They put on a performance that was about bullying and how we should treat people nicely even when they are different. That was an appropriate theme for Second Graders and it was really nice that the kids had the opportunity to experience real opera singers performing.

We are working on Unit 2 in our math books. We are working on geometry. We are also working on math vocabulary. We are using words like, rows, columns, 3-D, 2-D shapes and we are also continuing to work on counting coins.

We really appreciate all the participation in our upcoming Fun Run fundraiser. Thanks so much to all of you! This weekend's challenge is to get all families to try to get a new sponsor who does not live in your own home. Please call friends or family members to give a pledge. It does not have to be a large sum of money. Even a \$5.00 pledge would be greatly appreciated! Our Fun Run will happen next Friday, November 2.

Next Wednesday, Oct. 31 is of course Halloween. Second Grade classes will have their parties at 12:45. If you have not signed up to contribute a snack or craft activity but you would like to, check with your room parent to see what would be helpful. On Wednesday, please send kids to school with costumes in their backpacks. The costumes need to fit over their uniforms so we do not have to spend any time taking off and putting on clothes. For families who do not celebrate Halloween, Miss Gonzalez will take a group of kids to do fun activities that are not Halloween related. Our morning routines will be as usual.

Have a nice weekend!

Miss Jackson, Miss Browning, Miss Melissa
