

March 29, 2019

Dear Second Grade Families,

It was great to meet with parents for conferences! If you still need to have a conference with your student's teacher, let us know, we can arrange for a morning or afternoon conference in the next week or two. Report cards should be arriving in the mail in the next several days.

Both Second Grade classes have a field trip coming up Thursday, May 2. We will be going to the Rafael Theatre in San Rafael to see a movie called, Backyard Wilderness –In 3-D! We can use chaperones. Please let your room parent know if you are interested.

Miss Jackson has a field trip this Monday, April 1. We are set on chaperones. Please send students to school in layers. Be sure one of the layers is a very warm jacket. Also, be sure that students are wearing sensible, slip-free shoes that cover their whole foot. No sandals please. Send a big healthy snack and a bottle of water. If the weather turns out to be rainy, which it might according to the news, we will reschedule the trip. I will have our room parent, Sam alert you if the trip needs to be rescheduled.

On Tuesday, Miss Eliza will visit our classes for a lesson on social emotional skills.

Spring break is April 8 – 12.

Have a good weekend!

Miss Jackson, Miss Browning, Miss Melissa
