

January 25, 2018

Dear Second Grade Families,

This week we focused on MAP testing and it all went pretty smoothly. Thanks so much to our parents who have signed up to volunteer doing recess duty.

Valentines Day is Thursday, February 14. We have a Valentines party. It will be similar to our Halloween party with craft activities. Miss Browning and Miss Jackson might plan their parties a little differently so your room parent will let you know what the plan is for each room.

Mid Winter Break will be February 18 – 22.

Some field trips we usually have planned are in limbo because of the government shutdown. Next week I will post the field trips that we can look forward to for the next couple of months.

Have a good weekend.

Miss Jackson, Miss Browning, Miss Melissa
