Dear Second Grade Families,

Miss Jackson, Miss Browning and Miss Melissa all felt that this was the best week ever. We felt so appreciated and pampered and loved, with the most beautiful, extravagant gifts and cards! Thank you for the flowers and the meals and the sweets (and the wine) and the bath bombs and the face masks and soaps and candles....and the list goes on!!!! Wow!!! We were surprised and amazed and soooo happy! It was the best teacher appreciation week ever!

The art show on Wednesday was wonderful, thanks for those who were able to come.

Just a reminder, Monday, May 27 is Memorial Day, so no school. Thursday, May 30 at 6PM is Open House Night. Kids and parents and all family members are invited to come see some of the wonderful work the kids have been doing in class.

We had cooking class this week and we will have it for the next three weeks.

We hope all you moms have a very happy Mothers Day.

Aloha,

Miss Jackson, Miss Browning, Miss Melissa
