Dear Second Grade Families,

This was a busy week finishing up our projects to share at Open House. It was so much fun to see all of you last night in the classrooms! Thank you for coming. The kids were so excited and proud to show you all of their work. It was really fun.

Next Friday morning after assembly we will have a second grade potluck in the courtyard by our classes, then we will all walk to the field for the crossing the bridge ceremony.

Thanks so much to all of you for helping to make this a wonderful school year!

Have a great weekend!

Miss Jackson, Miss Browning, Miss Melissa
