Dear Second Grade Families,

What a week!

Wednesday's Halloween celebration was a terrific success! Both second grade classes had really fun, well-organized parties that the kids enjoyed tremendously. Thanks to all the parents who sent snacks and craft activities, and thanks to the parents who helped out at the parties, it was a wonderful day!

Thursday was a fun day because it was pajama day. We found out at the last minute on Wednesday that we had earned a pajama day by doing such an amazing job raising money for the fun run. Despite short notice, most families got the message and on Thursday most kids were happily marching about the campus in jammies.

On Friday, we had our Fun Run, and it really was very fun. The kids got Fun Run t-shirts and happily ran or walked their laps. Our Fun Run organizers were amazed and very happy that our school earned more than the \$15,000 dollar goal they had originally set. Thanks to so many families who helped the kids with pledges and who showed up to help out with the Fun Run. It was a very successful event.

We hope you have a restful and pleasant weekend!

Miss Jackson, Miss Browning and Miss Melissa
