

November 9, 2018

Dear Second Grade Families,

I am sure that you all know about the tragic event that took place this week involving one of our second grade families. I want to thank all of you who have been so supportive during such a difficult time.

We have our counseling staff available and on call to our students and our staff as well. Please contact Ms. Browning or Ms. Jackson if you have questions or concerns.

It has been very smoky because of the fires so on Friday we had indoor P.E. . We hope the air will clear up by next week.

Monday is Veterans day so there will be no school. The week after that we will have Thanksgiving break from Nov. 19-23.

Have a restful long weekend.

Miss J, Miss B, and Miss M.
