Dear Room 3 Families,

The kids worked so hard to get the room ready for Back To School Night this week! The room looked lovely with their writing pieces and their artwork. I felt very proud! They wrote adorable poems about the apple tree outside our window. They wrote poems about colors. They drew self-portraits stating their hopes and dreams for Second Grade. We also worked on writing in our Fact Of Day Books. In Math we worked with coins and number grids. It was a busy, productive week.

It was great to meet so many of you at Back To School Night.
I let everyone know that the best two ways to reach me are by text or email.
