

# CLASS NEWS

January 31, 2020: Second Grade: Miss Browning and Miss Jackson

## EVENTS

Field Trip to The Discovery Museum in Sausalito: 2/7/20

If you plan to chaperone on this field trip, there is a form the Discovery Museum would like you fill out. We will get it to you before the field trip.

## REMINDERS

If you have not had a chance to fill out the school climate survey, we hope you are able to find the time to let us know how we are doing at W.C.A. Today is the deadline! This is the link to the survey:  
[ytsurvey.org/wcafamily20](https://ytsurvey.org/wcafamily20)

## JUST A NOTE

In March, we have another field trip coming up. Farm Day is on Thursday, March 18. It is at The Marin Civic Center Exhibit Hall. Let your room parent know if you'd like to chaperone.

## WHAT WE'RE LEARNING

MAP testing for the winter season of 2020 begins next week!

Miss Browning's class will test on Mon. and Tues. (Feb. 3 & 4).  
Miss Jackson's class will be testing on Weds. and Thurs. (Feb. 5 & 6).

Please be sure your student gets plenty of rest the night before the test. Please be sure they have a healthy breakfast before school and a good snack for snack time so that they will be able to feel calm and focused during test time.
