

CLASS NEWS

February 14, 2020: Second Grade: Miss Browning and Miss Jackson

EVENTS

Upcoming Field Trip: Farm Day

Thursday, March 18.

Where: Marin Civic Center
Exhibit Hall in San Rafael.

We will leave school at
around 9 am. and return at
around 11:30 am.

If you would like to be a
chaperone, please contact
your room parent!

REMINDERS

No school next week! Mid
Winter Break is here. School
will resume Monday,
February 24. Have a great
break!

JUST A NOTE

Thank you for the sweet Valentine gifts and treats! We had a fun time celebrating Valentine's Day! Thanks so much for helping to make it a nice day for everyone!

WHAT WE'RE LEARNING

We are learning about the layers of the planet Earth. Next, we will study volcanoes, then rocks.

We are also learning map skills and geography.

We are reading fairy tales and talking about the structure of a story. We are discussing how a story has a beginning, middle and an end. We are learning about how a story usually has a problem followed by some kind of resolution. We are analyzing fairy tales and folk tales to consider what their messages might be. We are comparing folk tales and fairy tales from diverse cultures to find similarities and differences.

In Math, we have moved on to Unit 5. We are working on story problems.
