

CLASS NEWS

January 24, 2020: Second Grade: Miss Browning and Miss Jackson

EVENTS

Field Trip to The Discovery Museum in Sausalito: 2/7/20
If you would like to drive/chaperone please contact your room parent!

REMINDERS

Thank you for getting your students to school in the M.P.R. by 8:15 each morning. We are hoping to see fewer tardies occurring at our school as well as unnecessary absences.

JUST A NOTE

Please fill in this 15 minute online survey to let us know how we are doing. We value your input as a parent! ytsurvey.org/wcafamily20

WHAT WE'RE LEARNING

In math we are creating graphs and charts. We have worked on bar graphs and pictographs. We have been taking surveys about various things in the classroom and sharing our data.

We are learning map skills. We are learning to read maps and understand parts of maps such as map keys and their symbols as well as the compass rose and the directions on a compass rose.
