April 6th, 2018

Exciting Events	Willow Creek Community
<p>April 6-15: Spring Break</p> <p>May 4: Outdoor School medical forms due!</p> <p>May 16: Call of the Sea Sailing Trip! (Baker's Class)</p> <p>May 17: Call of the Sea Sailing Trip! (St. Denny's Class)</p> <p>May 21-25: Outdoor Science School</p>	<p>Outdoor School Medical Forms due May 4! Please be sure to log on and fill out the medical form for outdoor school for your child. Students without medical forms will not be able to attend. http://exploringnewhorizons.org/loma-mar/program-overview/</p>

Curriculum Corner

MATH

This week we've begun one of the most challenging units in math this year, Multiplying and dividing fractions as well as decimals. For many students this is an entirely new skill and certainly a tough one as well. This unit does last quite some time so we can touch on the topics from multiple angles.

ELA/SOCIAL STUDIES

We're continuing to discuss the American Revolution and working on biographies of famous Americans involved in the Revolutionary period of US history.

Science

We wrapped up our study of the rainbow trout with specific lessons on environmental threats to their survival and how humans can conserve and protect natural habitats. Our trout release was a great success and thanks to all the parents who participated!
