Curriculum Corner

MATH

This week we begun unit 6 on decimals. Students are learning decimal and fraction conversions as well as comparing the value of decimals. Decimals are both intuitive to students and a somewhat complex idea at the same time.

ELA/SOCIAL STUDIES

We're beginning the Road to the American Revolution. This week we just begun our study of European colonialism and the impact it had in leading to the Revolution.

Science

We're looking at our trout this week and examining their habitat and life cycle.
