Here is a link to some photos we teachers took:</u></p> <p>https://photos.app.goo.gl/gdn1kCVTrADddWFN9</p> <p>There are more photos coming. Right now, we are happy relaxed and tired. The kids had an amazing time. This 5th grade trip is about embracing community. The communities of people and natural systems hat make life beautiful. Not a minute was wasted as we stayed busy, learning about the environment and how to be in the outdoors, learning to love the outdoors, and maybe even thinking about how we can help the environment as we grow up!</p> <p>This trip provides SO MANY opportunities for growth and challenge! In going to a whole new place, they have the chance to interact with kids from another school, be in a whole new setting, with new leaders and in new combinations, take chances, AND check their attitudes about being in a whole new place, with a whole new group of people.</p> <p>We saw growth, curiosity, taking chances, courage, humor, and are so proud of the kids!</p> <p>Please let us know if you have <i>any</i> concerns or questions.</p>
