Willow Creek Community

If you are able, please consider making a donation to the Willow Creek Foundation. All donations go towards improving the learning opportunities for our students. Thanks to all for their donations!!

Room Parents

Thank you Eva-Marie Christman, Erika Ducati Jessie Wong, and Alex Cantin for volunteering to be our 5th grade room parents this year!

Curriculum Corner

Thus far we have been building routines and structure in the class. Students have been engaging in a lot of get-to-know you activities and reflecting back on their previous years in school to create goals for the coming year.

We've also begun Math and English. Students are diving right into the math curriculum with some fun and challenging tasks to start of the year. Students are also writing their first essay this week about citizenship as a primer for our exploration of US History in social studies.
