Successful Support

Sixth grade is in charge of morning assembly! Swing by during the mornings and check out what they've pulled together!

Happy Thanksgiving break! Take time to appreciate your students, and enjoy your family traditions this week. :)

Curriculum Corner

Humanities

Hello Families!

Our essential question this week was: What were the most important achievements of the Mesopotamian empires? From military and political to economic and cultural achievements these empires developed the precursors to many structures still in use today.

In ELA we continued our first writing unit on personal narratives. Students are learning how small moments that transform our lives make for good writing.

Thank You,

Ms. Rizzo

Math/Science

Happy Thanksgiving Families!

First I want to say I am so thankful for all of your students. They work hard, show enthusiasm for their learning, and offer a unique world-view. They are the reason that I show up every day. Thank you!

This week the students finished up with a test on chapter 3, and a quiz on multi-step multiplication (i.e. $256,987 \times 459$).

Woot! Students finished up their first draft of their dinosaur essay, and I am looking forward to reading them over break.

Best,

Ms. Lindsey
