Our Middle School team has implemented 2 new policies this school year. The first is our new cell phone policy. Students are expected to turn their cell phone in to their first period teacher at the beginning of the day and students can pick them up at the end of the day. If you need to reach your student during the day, you are welcome to call the main office and we will get the message to them. Students seen using their phone during the day will have their phone confiscated and will either need to pick it up at the end of the day, or a parent/guardian will need to come to pick it up.

The second new policy is regarding uniforms. This year students who are out of uniform will be given a loaner uniform, which is to be returned the next day. 6th graders do not change for PE.
