

First Grade Newsletter

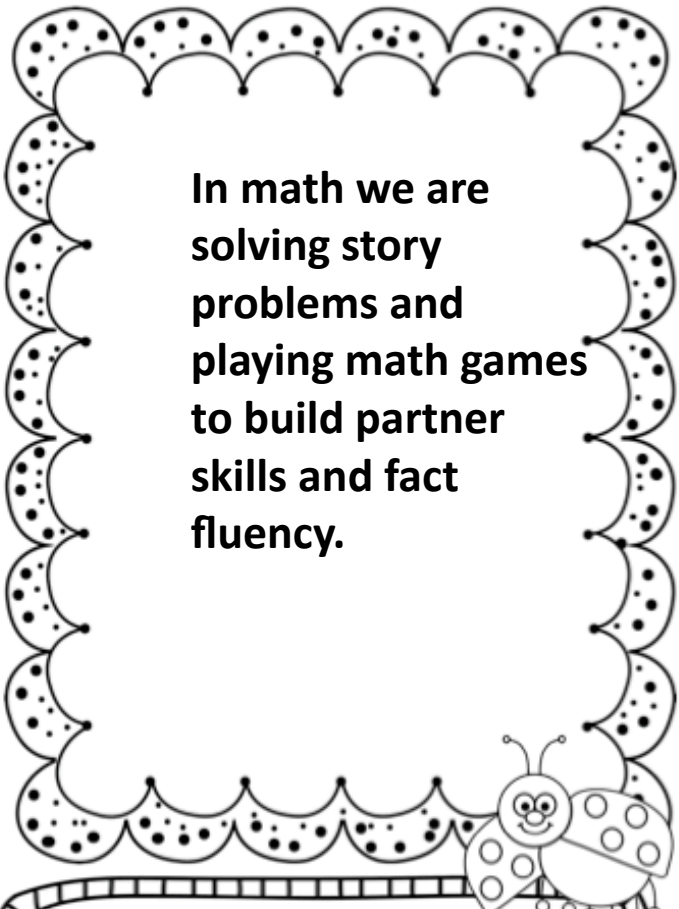

Wednesday Oct 25
Pumpkin Carving Potluck
6:00 p.m. in the MPR
We will use our pumpkins
from our fieldtrip to the
pumpkin patch to carve.
Please bring some carving
tools, bowls and spoons,
and soup or bread to
share.

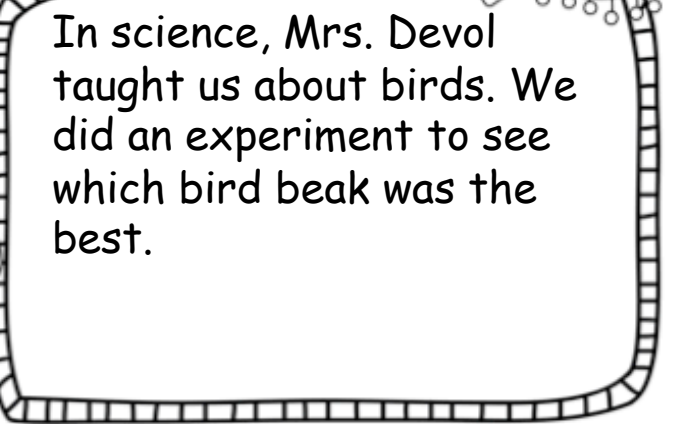

In social studies,
we are making a
Me on the Map book.
Ms. Duran taught us
about our continent.

In math we are
solving story
problems and
playing math games
to build partner
skills and fact
fluency.

In science, Mrs. Devol
taught us about birds. We
did an experiment to see
which bird beak was the
best.
