

First Grade Newsletter

Wednesday Oct 25
Pumpkin Carving Potluck
6:00 p.m. in the MPR
We will use our pumpkins
from our fieldtrip to the
pumpkin patch to carve.
Please bring some carving
tools, bowls and spoons,
and soup or bread to
share.

In social studies,
we are making a
Me on the Map book.
Ms. Duran taught us
about our country. We
learned about the
United States of
America.

Ways to help your first
grader be independent
Give them regular daily
chores

Let your child try to
do something new and let
them struggle with the
task without rushing in to
help them

Hold them accountable.
If they spill something let
them clean it up. If they
get something out make
sure they pick it up.

In science, we dissected
owl pellets with Mrs.
Devol. To get ready for
our field trip to the
pumpkin patch we learned
about genetic traits and
looked at different cows.

Field Trip-
Pumpkin Patch, Tues.
Oct. 24th 10:00
Leave at 9:00
Please pack a bag
lunch or plan to get a
school field trip
lunch. Bring your
booster to school.
