Classroom News

We had a fabulous turnout for Back to School Night! Thank you so much to all the families that came. Please feel free to reach out with any questions you still have.

We had a great week in Kindergarten! Among SO many fun things, we made Chicka Boom Boom trees and used stickers to write our names which helped us build letter recognition skills. We also counted the number of letters in our names and made a class graph to learn about organizing information.

We will start sending optional homework home in October. Please be on the lookout for an email from Lan (our Room Parent) to begin signing up for volunteer opportunities.

Have a great weekend!

Please remember to support the SMART Fund through which the Willow Creek Foundation provides funding for Classroom Support, Music, Art, Reading and Languages, and Technology to the Willow Creek Academy. You may make donations online on the Fundraising tab of the WCA website or by cash and check at the front office. All donations 100% tax deductible and will be put to use in the classrooms.
