## Report Cards

You will receive your child's report card in the mail. Please note that we leave room for our students to make growth and progress. Most of the standards on the report card have been recently introduced and we will be working on them over the course of the next few months. We do not expect students to have mastered these concepts yet.

## Learning Highlights

We've continued working on sight word (snap) words and have been very busy preparing for our holiday performances!

## At Home

Keep up the good work with your sight word/snap word books! Don't forget to bring them back to school **in their bag** when you are ready to read one of the lists.
