

What's Happening in Kindergarten?

- ✚ November 10th- Veteran's Day: No School
- ✚ November 17th is free dress day
- ✚ November 20th-24th Thanksgiving Break

Highlights from Ms.Perez & Ms.Alison's Room

- ✚ In Language Arts we worked in small groups matching pictures to their beginning sounds. We are wrapping up eating the alphabet with only a few letters to go. This week we ate W, P, G and Z. While you're out or at home, ask your child to name the beginning sounds in things you eat and see. We wrote about bats and halloween for our Writer's Corner.
- ✚ We read a book about Dia De Los Muertos and had a celebration in class decorating skulls and setting up an altar. The kids enjoyed eating Pan De Los Muertos and drinking Abuelita hot chocolate.
- ✚ In Math, we made more progress with Dreambox. We played a dice game where we rolled the dice and recorded the numbers and compared the results. We sorted buttons by attributes and linked objects with numbers. We also played a fun bat number match game that required lots of patient counting.

Highlights from Ms. Hope & Ms. Mayes's Room

- ✚ We finished our pumpkin and apple unit. We wrote about the similarities and differences of these fruits. We also labeled apple structures and the life cycle of a pumpkin.
- ✚ We did a float test to see if apples and pumpkins float in water. Students made predications about whether or not each fruit would float. They both did! After, we learned how fruits are made up of lots of water (just like us!) and talked about how we can float in swimming pools just like apples and pumpkins float in water.
- ✚ Pumpkin Investigations book: we described our pumpkin attributes (size, color, shape) and opened our giant pumpkin to discover what was inside- slimy pulp and lots of seeds! We practiced making groups of ten to count all the pumpkin seeds. There were 540 seeds in our pumpkin!
- ✚ In math, we measured and compared different lengths of objects.

We had a great time celebrating Halloween! Thank you so much to all of the parents who came and helped at the carnival.
