Highlights from Ms.Perez & Ms.Alison's Room

- ✚ In Language Arts, we matched upper and lower case letters, sorted a worksheet from Words Their Way and practiced letter formation.
- ✚ We continued eating the alphabet. Thank you to Anna for bringing in quince jam, the kids all tried it and loved it!
- ✚ In Math, we did Dreambox and counted pumpkin seeds.
- ✚ In Art, we read the Five Little Pumpkin book and made our own five little pumpkins sitting on a fence.
- ✚ In Science, we learned about the life cycle of a pumpkin and sequenced it on a picture of a pumpkin.

Highlights from Ms. Hope & Ms. Mayes's Room

- ✚ We continued learning all about apples! We tasted more apples, described/recorded our observations and compared the different types of apples we sampled. We also collected data about our favorite kind of apples and graphed the information.
- ✚ We made apple counting books and learned how to write different colors.
- ✚ In math, we began learning about ten-frames and practiced rolling dice to find the matching numbers on ten-frames.
- ✚ We learned new sight words- I, See, The and Like

Reminders

- ✚ Next Thursday, the 19th, we are going to the Pumpkin Patch. We are set for drivers. Students must be in school uniform and wear good walking shoes. Students who do not normally have school lunch, need to bring their own **PAPER BAG** lunch. The forecast is calling for light rain. If so please send your child with some type of rain coat.
- ✚ Please remember to contribute to WCA's SMART foundation! The foundation provides us with classroom budgets for our amazing field trips and classroom supplies!
