KINDERGARTEN FRIDAY POST

WHAT'S HAPPENING IN KINDERGARTEN?

Happy Friday! Thank you so much to all the parents who came to back-to-school night. We are really looking forward to getting to know all of you and your families. We had a wonderful week of school. Both kindergarten classes are very social and they love to talk to each other. We encourage you to set up play dates for after school and weekends. We would also appreciate you reminding your child in the morning to listen to their teachers and make good choices so they can earn classroom rewards.

We've noticed some students are struggling with concepts we are working on in our classrooms. The first couple of months of kindergarten are an important period for building a solid foundation for the rest of the year. It would be helpful if you could find some time to practice letter recognition, letter sounds and number recognition at home. We have a lot of ground to cover this year and need as much home support as possible. Our goal is to make sure your child has a positive and knowledge filled year. Together we can do it!

THANK YOU if you've already contributed to the WCA SMART Fund! We rely on these funds to purchase everything you see in the classroom that supports teaching and learning including art supplies, field trips, snack, etc... Your donation also supports the Art teacher, the Music teacher, the Library and all the programs that aren't funded by state funding. You can donate online or in the main office.

Reminders

- Please remember to label your child's clothes (especially jackets) for cold mornings.
- The classroom opens at 8:15.
--Parents are welcome to stay for the first 20min of school to help their child with morning work
- Students are encouraged to have a small water bottle at their table. The water bottle must have non leaking mouthpiece to drink from. Water bottles without a mouthpiece spill and make a huge mess. You can leave them at school and we will send them home on Friday. Thanks for your co-operation!

Have a great weekend!
