

## What's Happening In Kinder?

1/21 MLK Day-no school

2/18-2/22 Mid Winter Break

\*We will have some sort of Valentine's Day celebration- details to follow

### Ms.Perez & Ms.Alison Highlights

Welcome back! Happy 2019! Thanks again for all the generous holiday gifts. It was very thoughtful of all of you!

On Monday we spent some time adjusting to being back in school and sharing stories about what we did over the break.

We reviewed beginning sounds and added new words to our world wall.

This week begins our deep dive into the ocean! The kids took turns sharing what they know about the ocean, what they'd like to learn, and what lives in the ocean, and then we wrote it all down to reference as we learn.

The students also made cute "Down by the Sea" books.

### Ms.Hope & Ms.Mayes Highlights

Happy New Year! Thank you all so much for giving us such generous and thoughtful holiday gifts. We are so grateful!

The kids were so excited to see all of their friends and share what they did over the break.

This week we reviewed letter sounds and began working on ending sounds. The students are doing a great job identifying and writing down the last sound they hear in words.

In Math we began a new unit on measurement. We measured our own shoes as well as our friends' shoes from heel to toe to find out how many cubes long, each shoe is.

We started our unit about animals in the winter! I'm sure you will start hearing our hibernation song.

**\*\*PLEASE REMEMBER TO RETURN FRIDAY FOLDERS!!! \*\***
