

Happy Thanksgiving!
Enjoy your week off with
your families!

What's Happening in Kindergarten?

- ✚ **November 20th-24th Thanksgiving Break**

Reminders

- ✚ Remember to practice your sight words and try to get on Dreambox for 40mins!

Highlights from Ms. Perez & Ms. Alison's Room

Thank you so much to all the families that joined us on Wednesday night for our Thanksgiving dinner. The kids were so excited to sing their songs and have dinner together. What a great way to start the season of family and friends.

- ✚ We learned so much about Thanksgiving this week! The kids used pictures to tell the story of Thanksgiving as well as making their own Thanksgiving book. The kids wrote and drew about what they were thankful for, and worked super hard on making patterned macaroni necklaces for their families. We continued working on beginning sounds and added new words to our Word Wall. We also wrote a super silly Writer's Corner about Thanksgiving.
- ✚ In Math, all students completed at least 5 lessons on Dreambox. We made Turkey Counting Books and started talking about the concept of longer and shorter. The kids also made number placemats to use on Thanksgiving.

Highlights from Ms. Hope & Ms. Mayes's Room

- ✚ We read the story Ten Fat Turkeys and practiced identifying the characters, setting and plot.
- ✚ We made our own *5 Little Turkeys* subtraction counting books.
- ✚ We did our first guided drawing and learned how to draw a turkey.
- ✚ In writer's workshop we started writing stories from our own lives. We began adding story structure to our stories including: who (characters) where (setting) and what (plot)
- ✚ We made *The Pilgrims and Native Americans* mini book to learn vocabulary related to the history of Thanksgiving.
- ✚ We reviewed the names of shapes and learned about making patterns to design our Thankful Placemats.
- ✚ Sight words: we, am, one
