

## What's Happening in Kindergarten?

**Friday 6/1 Walking Field Trip to Schoonmaker Beach NO LUNCH REQUIRED. Ms. Debbie is buying us pizza!**

**Open House  
May 31st from 5:30 to 6:30**

We will be doing a walking field trip to **Schoonmaker Beach on June 2nd**, leaving in the morning and coming back for lunch. Let me know if you would like to join us.

**Last Day of School-** June 8<sup>th</sup> details to follow

## Highlights from Ms.Perez & Ms.Alison's Room

We are down to the last 10 days of school! WOW! We have been working together getting our classroom ready for Open House next Thursday night. Please, please plan on being here! Check in with Casey, as she is planning something fun. The kids have been practicing for weeks for a performance you won't want to miss. This week the kids took the school-wide M.A.P. test and I was beyond proud of them! They did amazing! Check in with me if you want to see how your child did. We spent time reviewing so many things that we learned this year in kindergarten as we prepare to cross the bridge into first grade. Plan to be here on the last day of school for a breakfast in the Kinder Courtyard, followed by a school-wide ceremony on the field.

- ✓ **Open House is May 31st at 5:30. There will be an in-class performance that you don't want to miss! Plan to be here!**

## Highlights from Ms. Hope & Ms. Mayes's Room

We had a blast on our field trip to the Conservatory of Flowers! Thank you so much to all the drivers and chaperones! We couldn't have gone without you. The kids had a great time learning about different kinds of plants, playing at an amazing park and we even got to ride a carousel!

This week we started MAP testing. The kids have been trying their best and have been so focused. We also learned about digraphs (two letters that make one sound) including CH,SH,TH and WH. We continued working on our farm projects and studying butterflies.

The kids really enjoyed learning about the artist Gaudi. We made beautiful butterflies based on his style. The kids are excited to show you their masterpieces at Open House!

- + **We sent home another Farm Animal Research component. We included a few different texts for you to choose from. There are also some pages for students to write down things they learn about their animal.**
- + **Please make sure to send this back to school, even if it's not finished!!!!  
Please return Friday folders and Bob books!**
- + **We hope to see you at Open House on 5/31 at 5:30.**
