Highlights from Ms. Perez & Ms. Alison's Room

- ✚ In Language Arts we learned all about bats! We also decorated our bats to hang in our nocturnal animals tree. Ask your child to tell you some of the things they learned about bats this week. You will be surprised at all they know!
- ✚ In Math, the kids rocked it on Dreambox! They are getting more independent, and have pretty much mastered using the computers. We also made counting books that went home today.
- ✚ The Pumpkin Patch was a hit! Thank you so much to our drivers and chaperones. Some of the highlights were petting the cow, riding in the tractor, picking pumpkins, digging potatoes and of course the corn kernel pool! Stay tuned for pictures from Scott.

Highlights from Ms. Hope & Ms. Mayes's Room

- ✚ We had a blast on our field trip to the pumpkin patch!
THANK YOU TO ALL THE PARENTS THAT JOINED US!
- ✚ We made applesauce and made *predictions* about what it would taste like.
- ✚ In math, we practiced writing, spelling and showing numbers on a ten frame.
- ✚ We've added the word AND to our sight word wall.
- ✚ We started learning about pumpkins so that we can compare many different aspects of apples and pumpkins!
- ✚ We learned how to use labels in Writer's Workshop.

Reminders

*Next Friday is Free Dress day!
