**A Message from Ms. Cox:**

Good afternoon WCA families! On Wednesday, we were thrilled to welcome CA State Treasurer, Fiona Ma, to our first "If you could be anything..." series. We also got to hear from several other incredible participants who shared their stories of what led them to their respective careers. Our next "If you could be anything..." presentation is scheduled for Wednesday, May 20th beginning at 9:30. Hope you can all tune in!

On behalf of the WCA community, I want to thank you all for the many appreciations which found their way to our incredible staff, in honor of Teacher Appreciation Week. The timing could not have been more perfect.

Last, but not least, **please make sure to tune in every Wednesday at 8:45 for our school-wide weekly assembly.** Every week, students are being recognized for their achievement in art and math. Students also have the opportunity to share their writing and other talents. And of course, let's not forget the incredible Chef G! Who doesn't love to hear from him?!

  
All the best, Emily
