

Hello Parents!

On Monday, February 11, 2019 at 5:30 PM, we will have a very important meeting about this year's 8th grade Outward Camping event. We will meet in the library where Sean Altman, WCA's Program Director from Outward, will be joining us to discuss the following:

- Camping location – Henry Coe State Park
- List of What to bring
- List of what NOT to bring
- List of equipment provided by Outward Bound
- General sense of daily schedule (meals, packing, hiking)

Knowing that not all families choose to attend this camping Field Trip, we have a capacity of 36 students for this camping trip. In past years, we typically have about a 75% attendance, and we have had to pay for students who did not end up attending the camping trip due to the contractual obligations. Because of this, we will confirm the first 36 students who turn in completed Liability and Medical Release paperwork (see the link on the Friday Post Page).

If you can not attend the meeting, please contact Roy Baker to get any information you may need.

Bests,

Roy Baker
