If you are familiar with this underpass, you've probably seen that the lighting in that space is not sufficient to ensure safety for bikers or pedestrians.</p> <p>Several community members from Sausalito and Marin City have organized a Light the Tunnel Flashlight Vigil on Saturday, December 16th. They have invited families to bring their headlamps and flashlights and to meet at the Starbucks parking lot in Marin City at 6:00. The group will peacefully walk through the underpass, then everyone will turn and walk back. The organizers have invited local media to cover the vigil to bring attention to the lack of adequate lighting in the tunnel. For additional details, please see the flyer in this Friday Post.</p> <p>In the spirit of caring and collective action, I want to encourage families to participate in this peaceful vigil to advocate for our students' safety. I hope to see you there!</p> <p>Best,<br/><br/>Tara</p> |

# How Plugged-In Families Can Have a Device-Free(ish) Holiday

The trick is to downsize — not demolish — your family’s reliance on technology over the holidays. By Caroline Knorr

What’s topping your kids’ holiday wish lists this year? Chances are it has a screen, Internet access, and games. With a little planning — and kids’ assistance — you can balance your family’s tech activities with much-needed face time. Here’s how:

**Be jolly — but firm.** Let your kids know that you’ll be enforcing stricter time limits to create more quality family time. And tell them that the rules will apply to the grown-ups as well!

**Make a list (and check it with your kids).** Don’t go cold turkey. Schedule some daily tech time for yourself and your kids. Get their input on which devices they absolutely can’t live without, and allow some limited use.

**Plan a device-free dinner.** Put the phones and tablets in a basket and don’t check ‘em til the dishes are done. [Learn what not to do from Will Ferrell.](#)

**Have a download derby.** Browse the app store together. Look for games and activities that the whole family can enjoy, such as the ones on our [our best app lists](#).

**Make setup fun, not frustrating.** No matter how easy to use companies make new devices, there’s always some (often frustrating) setup time. Truth be told, kids often figure out thorny tech glitches faster than parents, so involve your kids in the process. Use that time to discuss responsible use of the new device.

**Try some tech togetherness.** Unplugging for its own sake isn’t the point. Family time is. Plan a night of video games, movies, or maybe preselected [YouTube videos that you can all enjoy together](#).

**Combine on- and offline activities.** Document your family memories and consider compiling them into [journals, cards, and scrapbooks](#). This is a perfect time to share your own holiday memories with your kids.

**If no creatures are stirring ... don’t check your email.** Remember, your kids learn their media habits partly from you. Use quiet time to reflect on ways you can maximize the benefits of technology without letting it take over your family’s life.

**Have an old-fashioned holiday.** [Challenge your family to choose low- or no-tech versions of favorite activities.](#) Generate fun on your own steam — no WiFi, data, or plugs.

# Sausalito Farms

Supporting the community one tree at a time!!!

Dear Willow Creek Parents

Can you believe the holidays are already upon us? Last year, many of you bought your Christmas tree and holiday wreath from Sausalito Farms to help support WILLOW CREEK ACADEMY. We will be participating in the Sausalito Farms Christmas tree fundraiser again this year.

**Sausalito Farms donates \$20 for every Christmas tree sold and \$10 for every wreath sold to Willow Creek Academy.**

This year Sausalito Farms will be donating an extra \$5 for every Christmas tree sold to families who lost everything in the North Bay Fires.

**You can order your tree and/or wreath online (strongly preferred!):**

1. Go to [www.sausalitofarms.com](http://www.sausalitofarms.com) .
2. Scroll down to the "order tree here" section on the website.
3. Select the tree size from the drop down menu.
4. Type in the school, team, sport or organization you are donating too. If there is a student associated with the school/team add in this line as well.
5. Pick up your tree starting Friday, Nov. 24th at 9am.

**Or you can purchase your tree anytime at the lot in Sausalito. Donation forms will be available onsite at time of tree purchase.**

If you have any questions that are not answered on the website contact Christopher Holbrook at 415.290.0934 or [Christopher@sausalitofarms.com](mailto:Christopher@sausalitofarms.com).

Happy Holidays and thanks for your support!!!
