A Message from Ms. Cox:

As they say, the show must go on! A big shout out for all of our young actors and actresses who debuted in Willy Wonka and the Chocolate Factory on Thursday. Although we had to limit the number in the audience, we were so happy that our children still had this wonderful opportunity to shine.

I personally want to thank all of our families for your patience, support and understanding as we all go through these uncertain times. We will continue to keep you all updated on a regular basis, and know we are taking all possible precautions here at school to keep everyone safe and healthy.

Best, Emily
