## Miss Jackson & Miss Browning

The Week of March 9 – 19, 2020

Miss Jackson and Miss Browning will put homework packets in backpacks this weekend in the event of a school closure. Hold on to them. At the moment there are no plans to close school and hopefully you will not need them, but if things change you will have independent study work ready to go. We will also offer online work as well if School were to close. But at the moment, don't worry! We do not have any plans to close school, we just need to be prepared!

Conferences begin next Friday, March 20. No school March 20 and 23.

**Field Trip Cancelled:**  
Our Farm Day field trip for March 19 was cancelled due for Corona Virus precautions. Thanks to parents who had volunteered to drive.

**Intent to Return forms:**  
Thanks to those who have returned their forms! If you have not sent your form back please do soon so we can make plans for next year. We can send a new form if you need one! Thanks so much!

We are using rulers in math to measure inches and centimeters.

We are working on using correct punctuation and capitalization in E.L.A.

We are learning about landforms and working on mapping skills in science/social studies.
