**A Message from Ms. Cox:**

Good morning WCA families. Today I enjoyed the wonderful opportunity to visit Ms. Gregory's first grade "virtual" morning meeting, complete with singing a very funny song about a baby shark! Of course it didn't replace seeing all of their lovely faces in person, to which I had become highly accustomed during our first 7 months of school, but nonetheless, it was wonderful seeing some joy and happiness in a new kind of learning experience.

More to come!

Best, Emily

**IMPORTANT ANNOUNCEMENTS/MESSAGES:**

**HEALTH AND WELLNESS:** Please make sure to check out our webpage, which is regularly updated with information about our school closure and updates about COVID-19. And remember to stay active with your children and build in time every day for safe outdoor activities.

# WCA TEACHERS & STAFF - YOU ARE AMAZING!

So, it seems the whole world changed around us last week – in just a matter of hours. You reacted so quickly and efficiently by:

- ❖ Creating structures for “virtual learning” in a pinch (Google Classroom assignments, teacher-led videos, creative exercises for home, opportunities to connect with you – and other students (even for PE, Art, and Music!))
- ❖ Remembering the social - emotional side we are all dealing with – and offering strategies for our kids (and us) to stay self-aware and manage concerns
- ❖ Sharing messages and ideas that promote calm, quick thinking – and skills that serve us in educating ourselves and learning
- ❖ Doing it all while you, yourselves, are dealing with your own worries, fears, and uncertainties!
